2025 Vancouver Island Regional Science Fair Request for Ethics Approval

	· ·	•		
School Name				
Project Title				
	First Name	Last Name	Email	Phone
Student 1				
Student 2				
Adult Supervisor				
Scientific Supervisor				
This project involves (circle one):	Humans	Animals	Human/Animal Tissue	Microorganisms
Note: Your Scientific Supervisor must have appropriate credentials depending on the level and subject matter of your project. For more information contact the Ethics Committee at rmmarx@uvic.ca				

Please provide a brief description of your project (less than 200 words).	

For Projects Involving the Participation of Humans

Describe any special precautions taken for the project.
\\/\bara\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\
Where will you carry out the experiments?
Please describe the qualifications of your scientific supervisor.
How many people will be participating in your experiment? What are their ages?

As part of your Request for a Ruling, you must also submit:

- A blank copy of your Informed Consent Form that will be distributed to participants
- A copy of the Letter of Information provided to all participants
- A copy of the Survey/Test (if your project involves a survey or test)

Please keep a copy of this form for your records.

For Projects Involving the Participation of Humans

Request for Ethics Approval

I have read and understand the information provided on Youth Science Canada's website regarding ethics and the ethical standards of including humans in scientific research; and acknowledge that, by including humans as part of my project, I have a duty to protect the well-being, dignity, and privacy of those individuals.
